INFANT MENTAL HEALTH MENTOR POLICY (IMHM-P)

Who?

- Executive or Program Director
- Program or Grant Manager
- Policy Consultant
- And More!

Do You...

- Facilitate monitoring or evaluation of services and outcomes within programs focused on pregnant people, infants, toddlers, and their families?
- Develop or impact policy and practice intended to increase the extent or effectiveness of infant and early childhood mental health interventions?
- Understand and make effective use of agency, state and/or federal funding, contracting or reporting requirements to enhance infant mental health service availability & effectiveness?

If you answered YES...

You are a leader in policy and/or program administration related to the promotion of infant mental health principles and practices, in the context of family and other caregiving relationships, across systems or within leadership activities occurring at the local, regional or state level. Infant Mental Health Endorsement® connects your experience with a set of competencies that recognizes your expertise, links you with a statewide and national network of professionals and can enhance your work!
