EARLY CHILDHOOD MENTAL HEALTH MENTOR RESEARCH/FACULTY (ECMHM-R/F)

Who?

- Higher Education Faculty or Instructor
- Researcher

Do You...

- Write articles and books on early childhood mental health principles and practices?
- Promote research projects intended to increase the body of knowledge about early childhood mental health, early development, and effective interventions?
- Generate research that reflects cultural humility and understanding in the early childhood field?

If you answered YES....

You are a leader in university-level teaching and/or published research related to early childhood mental health principles and practices. Early Childhood Mental Health Endorsement® connects your experience with a set of competencies that recognize your expertise, can connect you with a statewide network of professionals, and enhance the quality of your ECMH work!
