EARLY CHILDHOOD MENTAL HEALTH MENTOR CLINICAL (ECMHM-C)

Who?

- Child Parent Psychotherapist
- Private Practice MH Therapist
- Reflective Supervisor/Consultant
- Clinical Program Director

Do You...

- Accurately interpret information from informal and formal observations or assessments to identify capacities, strengths, developmental delays and/or emotional disturbances in infants and toddlers you or your supervisees serve?
- Effectively implement or support others in implementing relationship-focused, therapeutic interventions that enhance the capacities of caregivers and their infants, toddlers or young children?
- Provide consistent, ongoing reflective supervision/consultation to other early childhood mental health professionals?
- Mentor novice practitioners, students, clients, and other colleagues to develop early childhood mental health skills?

If you answered YES...

You are a recognized early childhood mental health treatment leader in your community. Early Childhood Mental Health Endorsement® connects your experience with a set of competencies that recognizes your expertise, links you to a statewide community of professionals, and can enhance your work!
